

# Demonstration Community Contacts

These 14 communities were selected to show how the *It All Adds Up to Cleaner Air* concepts, approaches and high-quality materials could be tailored and incorporated into local outreach and partnership-building efforts. Lessons learned and products developed are now being shared with communities facing similar air quality and congestion issues.

## Arizona

### **Maricopa Association of Governments Phoenix, AZ**

Ms. Kelly Taft  
602-452-5020  
[ktaft@mag.maricopa.gov](mailto:ktaft@mag.maricopa.gov)
